JUNE 8, 2019 MATCH RESULTS

We had 19 shooter's show up for almost perfect weather, including a few we haven't seen in quite a while and we appreciate them coming and spending their day with us.

Congratulations to our top cowboy and cowgirl, Slick McClade and Dixie Rebel.

Our next monthly match is scheduled for July 13 & 14, 2019.

That's correct, we will be having two shoots each month starting in July. This is not a 2-day shoot but two separate matches. If you can't make Saturday then come shoot Sunday. If you like, come shoot both days. Sign in starts at 8:00 AM, safety brief at 9:00 AM and shooting at 9:15 AM. Summer dress code will be recognized from July through October – t-shirts and shorts will be accepted, **NO open-toed shoes or ball-caps.**

JACKSON HOLE GAZETTE

Shooting order is rifle, pistol, shotgun – stand and deliver.

Stage instructions state to engage three rifle targets with a 1-2-7 sweep starting on either end, then engage the three pistol targets as per rifle instructions, then engage four shotgun targets in any order.

The shooter retrieved the rifle and engaged the first target with one round, the second target with one round and then the third target with seven rounds. Shooter then restaged rifle and engaged the pistol targets and shotgun targets appropriately. When the shooter presented the rifle at the unloading table they discovered a round on the carrier.

What's the call?

PROCEDURAL – for engaging the rifle targets in the wrong order

ONE MISS – for not engaging with one rifle round

MSV – for round left on carrier

Shooter is to engage two targets alternately with 10-rounds starting on the left target.

At the beep, the shooter starts on the right target but misses.

Shooter then engages and hits right target, then alternates between left and right.

What's the call?

ONE MISS – for failure to HIT the target...NO "P" for engaging the wrong target

Engaged – attempting to fire a round at the target.

SHB p.44

Miss – a failure to hit the appropriate target type using the appropriate firearm type.

SHB p.44

Engaging a target "out of order" but missing it is only a MISS

HITTING targets "out of order" is a Procedural

No "Double Jeopardy" = NOT assessing both penalties for the same fired shot.

"A miss cannot cause a procedural"
